RE: Ordinances

Dear Joe:

Enclosed is the new cover page for the Hingham code. My suggestion would be to put copies of the code in three ring binders. That way additions could be inserted easily. I also think that this route would be less expensive than having us bind everything up.

If you have any questions, please contact me.

Very truly yours,

RE: Ordinances

Dear Joe:

Enclosed is the new Hingham Town Code. I hope that it meets the approval of the Town Council. Also enclosed is an ordinance which adopts this new code.

The procedure for passing the ordinance is prescribed by Section 7-5-103, MCA. This section requires that an ordinance be read and adopted at two meetings at least 12 days apart. After the first meeting, post the ordinance and a copy of the code at the post office - I recall you saying that it is your posting place - and have a copy of the ordinance and code available at the municipal offices.

If you have any questions, please contact me.

Very truly yours,

SMITH & RICE
